

## Membership Fee Regulations

On the basis of §4 No. 3 of the constitution the General Assembly of International Data Spaces Association decided on the following membership fee regulations on December 18, 2024:

1. The annual fee is due at the beginning of each calendar year. In the year of foundation (2016) the fee shall be invoiced after finalising the foundation of the association and its registration as association.
2. New members being admitted during a fiscal year shall pay proportional fees by the quarter according to the beginning of their membership. The fee is due with admission.
3. The amount of the fee is:

Form of organization	Yearly turnover (Mio. EUR) (group related)	Annual fee (EUR)
Company	From 10,000	42,000
	From 2,500 to under 10,000	30,000
	From 500 to under 2,500	18,000
	From 50 to under 500	9,000
	Under 50	3,000
Non-for-profit organizations like research institutes, universities, associations, non-for-profit foundations, non-government- organizations, etc.	---	1,500
Start-ups	---	1,200

4. Termination of membership does not exempt the member from the due financial obligations towards the association that have arisen until the cancellation of the membership becomes valid. The member is not entitled to claims to any assets of the association.
5. At the day the membership fee regulations are passed they shall come into force. From that day onwards, they are valid for indefinite duration. Alterations require the resolution of the General Assembly of International Data Spaces Association; respectively, these alterations become effective for each coming fiscal year.
