

Data Space *Accelerator*

Getting ready
for Catena-X

Ready for Catena-X

As a publicly funded study, the Data Space Accelerator enables SMEs to take a structured first step into the Catena-X data space, combining onboarding, optional support, and remuneration.

What's in it for me?

- Start with a simple use case that enables meaningful participation in Catena-X.
- No prior data space experience is required. Get optional support from certified partners.
- Receive a remuneration up to 30.000 €* based on verified results.
